**We are so excited to be open again**

**Things are going to look a bit different, here's what to expect**

We won't be able to have too many people in the Centre

There will be tables and chairs that are physically distanced

Some doors and windows will be open

To start with we won't be able to have live entertainers, but **we** will keep you entertained and still have a few laughs

Our lovely home cooked lunches will still be served

For people who aren't able to come to the Centre we will provide an outreach service, including lunches, bus trips, visits and walks. All activities will be tailored to individual interests and needs

Sadly we cannot yet provide a drop in service

Carers or family members won't be able to come in without prior arrangements due to numbers

Things may change in response to changes in infection rates and Government advice

**Here is Christine dressed in the protective apron, gloves and masks that the staff and volunteers will have to wear when close to you. Otherwise it will just be a mask**

## **Keeping everyone safe—here's what you need to know**

Risk Assessments that comply with *Government Guidance* have been done and accepted by the *Care Inspectorate* and the *Health and Social Care Partnership*

Staff and members have had both vaccinations

Staff will wear the appropriate masks, gloves and pinnies [aprons]

Staff and volunteers will have covid checks twice per week

A register of attendance will be kept to comply with the *Contact Tracing Process* [ask if you need more details]

## **Here's what you can do**

Wear your mask on the bus

Wear your mask when you have to move about in the Day Centre

Wash or use hand sanitiser frequently and especially:  
after using the toilet  
before and after eating  
after blowing your nose, coughing or sneezing  
entering and leaving the Day Centre

Avoid touching your face

Cover your mouth with a tissue when coughing or sneezing

Keep a social distance—sorry we still can't hug or hold hands

**This is how the tables will be set out**
